Innovative Pharmacy Services

Innovative Pharmacy helps you gain control of your medication. Our personalized service and knowledgeable staff are always available to help you get the right drug, in the right dosage, at the right time.

- **Convenience of having medications delivered to your home**
- **Assistance navigating the insurance reimbursement maze**
- **Availability of experienced and caring experts to answer your therapy questions**

Innovative Pharmacy Services

- **Specially trained nurses and pharmacists** to counsel you for medication and/or medication management questions
- **Clinically trained staff** to support your needs and care
- **FREE DELIVERY** to anywhere in Florida
- **Access** to pharmacists and nurses **24/7** for urgent medication questions
- **Prescription Insurance Specialists** to help you best understand which medications your insurance will cover and what your out-of-pocket responsibility may be **BEFORE** you fill your prescription
- **Monthly refill reminders**
We like to talk to our patients
- **Free educational materials** on your medications and tips to keep you healthy

Please call us at **407-647-4895** or **1-800-868-3640** and we will follow-up with your physician to obtain your prescriptions and with your insurance company to verify coverage for each of your medications.

Disease Management

Innovative Pharmacy Services offer a disease management program for patients with chronic diseases to include Hypertension, Heart Disease, Diabetes and COPD.

Our disease management nurse along with the pharmacist and reimbursement specialist assist you to ensure your medications are received on time and monitored throughout their course of therapy.

There is ongoing communication and interaction with you and your physician to discuss your care and progress.
